Prayer to Archangel Metatron

O Beloved Metatron, Angel of Love and Light, bring forth your Light into my being; let your overlighting presence assist me to change all in me that is not of love and light into Love and Light. I ask that you increase my vibratory rate to the maximum frequency I am able to safely maintain at this time, and to further increase that Light Quotient in me in steadily increasing increments as I am more able to maintain Light within my four-body system. I further ask you, Beloved of God, to show me the paths of Love all around me and to assist me in the manifestation of Love within myself, my family and within the world of this planet, so that I may begin my Service to God in Love and in Light. O Beloved of God, Archangel metatron grant me your blessing and your Light. Amen.

Prayer to Archangel Michael & Lady Faith/ Temple of Faith

O Beloved Michael and Faith, I ask that you take me this night to thy Sacred Temple of Faith and Protection on the Etheric plane above Banff and Lake Louise. I ask that I may be permitted to dwell therein for a time, this night, that I may strengthen my Soul/Monad on the earthly plane, and that I may find the peace and harmony of life once again as I learn the lessons of this lifetime. I ask that my family members also join me in this journey into the primordial faith of my ancestors, and that I may be renewed in the

Treasury of the True Law, that I may find the truth of my Godhood, and return to the bosom of Mother-Father God as a faithful, strong and joyous servant of Light. This I so do ask in the Name of the Holy Father, Holy Mother, and Holy Son. Amen.

Prayer to Jophiel & His angels of Illumination

O Beloved Jophiel, O angels of Illumination, send Thy silvery bright Yellow-gold rays of Divine Light to flow through my being, so that my consciousness/brain may be clear of all 3rd dimensional density and, any and all shadows created by negative thought patterns, environmental toxins and unhealthy practices that I may still hold onto at a cellular level. Assist me to dissolve any remaining degrading, unhappy, and disturbing thoughts that I may still cling to; so that I may cleave to the Higher Light of my true Self, my Higher Light of the Self and my Overself of the Christ. With your illumined Light I know that I shall become clear in all my thoughts, outward patterns of behavior and be free of all out-dated debilitating habits; and that I may learn to see with the eyes of illumined truth and Wisdom. May I be filled with the Love, knowledge, and passion of Divine illumination! Amen

Prayer to Archangel Chamuel & Lady Charity

O Beloved Chamuel, Beloved of the Father, Angel of love and mercy, compassion and tenderness. Help me sort out the confusions within my being; make me aware of any negative attitudes, unwarranted expectations, unhealthy habits, or faulty behaviors that I may still be holding onto at a cellular level in my four-body system*. Show me how to recognize the old patterns in my consciousness and then help me to clarify and integrate them with new vibrant energies of love, wisdom and generosity. Assist me to change my negatives into perfect positives; so that I may learn to Love myself; so that I may find tolerance for the weaknesses I seem to see in myself and others; so that I may truly find harmony and peace in my life. O, Lady charity, Let rainbows of Love flow from out my Heart and plumes of Joy surround me, every day! O Beloved Chamuel and Charity, Make me an instrument of God's Love! Teach me how to accept & resolve all my issues of discontent that I may know the Love of God within my heart and mind and within the hearts and minds of all other beloved children of Father-Mother God. In the Name of the Christ, who loved above all things, I so do ask! Amen.

O Beloved Archangel Uriel, you are the Light of God, the Fire of God and I ask that you shine your radiance upon me, so that I may ground myself on earth as I climb the heights of Heaven. I ask you to guide me in the true path of inner and outer, balancing my heart's desire with the strength of my faith, and my service to God with my daily actions. O Beloved Uriel, I ask you to assist me in the enhancing and development of my earthly tasks, and provide me with the means and illumination to proceed with all that I must do while I am still on the earthly plane. O Beloved Uriel, I ask that you overlight me today, and bring me the Shining Light of the Father's Love, so that I may more clearly see my way through the dimness of duality; so that I may truly walk my talk, and so that I may be a good and faithful servant of Mother-Father God. Let your Sacred Red-Orange fire fill me with enthusiasm for my life and my path! Let me learn to live each day as it comes, fully in the moment of my Mighty I-AM Presence; and help me to recognize each minute that passes as the great gift from the Father that it is. I thank the Father for the radiance of life that I am, and the Mother for the Love within my soul that leads me Home and that nourishes me whilst I travel this earthly journey.

Prayer to Archangel Tzadkiel & Lady Amethyst for Personal Transmutation

Beloved Archangel Tzadkiel; come to me now and assist me in the Transmutation of all my negative attributes. I ask you to direct the Violet Flame of God's Love and Mercy through all the dimensions of my being. I ask that you gently sweep through all my energetic fields and cleanse them of any and all miss-qualified energies, negative aspects, and any and all of my lower vibrations; so that I may truly be free of all 3rd dimensional pulls upon my I-AM Presence; that I may clear and cleanse any and all remaining aspects that are not of Love and Light within my being; and that I may release any and all darknesses that may still be clinging to me at a cellular, emotional, and/or psychic level.

Beloved Archangel, I choose to be free from this astral cycle of rebirth and Karmic Cosmic Law. I choose to fully enter into the Father's Grace; to live in harmony and at peace with

all my brothers and sisters, and to live the ascended life, even if my ascension may be in my future. I ask that you and Lady Amethyst, assist me by bringing this flame to me, many times during the days and weeks to follow, and that when I am sleeping, the violet Flame of Transformation enters my dreams, and assists me to go only to the Higher Realms of Light for my highest good. I ask that Archangel Michael and Raphael assist you in the protection and re-balancing of my I-AM Consciousness, and that my physical/emotional body be in perfect harmony with my mental and spiritual Selves. I thank you, now for your assistance, now and each time I call to you. I-AM Light! I-AM Love! I-AM God in Action! I-AM All that I-Am!

And so it is! Amen.
