Chamuel and Charity are the Archangel and Archeia of the Divine Third Ray, and their radiance is pink/ruby, which represent the flames of Divine Love. They serve to expand the light of Adoration and Divine Love within the hearts of Humanity, the forces of the Elements and Powers of Nature. We may call upon them to help us develop the qualities of mercy, compassion and loving kindness for others. If we are feeling any energy of injustice, victimization, fighting or separation, we may call upon them to replace these emotions with a Supreme Trust in the ultimate resolution through Divine Love. They also assist us to cultivate authentic actions of charity and the expressions of a great love for life through gratitude and thanksgiving.

God of War: Archangel Chamuel is also known as the Angel of War and is regent of the planet Mars and the astrological sign of Aries. Chamuel has been called the God of War, and he may be portrayed as a warrior, with helmet and armor. It is in this role that he shows himself - not in full battle dress, but ready and prepared to ride out into battle if necessary. He is also found in the Kabbalah governing Sphere 5, Gevurah - that of Judgment, Justice and Severity. This sphere deals with impartial, wise and balanced judgment and the use of the Power of Judgment to make an impact in the world. Justice is connected with having wise and balanced judgment of ourselves and others, in order to see and understand the natural consequences of all our actions, and to help reconcile and balance karmic deeds in this lifetime and others.
