Archangel Tzadkiel (or Zadkiel) is a Regent Prince of Heaven and of the choirs of the Dominions. His name means "Righteousness of God" or "God's Blessing". He may also be referred to as the Angel of Divine Justice, the Angel of the Divine Presence or the Angel of Invocation and prayer, bringing to us Divine Light and Harmony. His energy is integrating, harmonizing and balancing and he connects us to Heaven and Earth. Tzadkiel and the Lady Amethyst originate from the Violet Planet, the home of the sacred fire of the violet flame, where as High Priest and Priestess they tended and administered the violet flame - the sacred fire that transmutes the cause, effect, record and memory of wrongdoings or negative karma. The violet flame is also known as the Flame of Transmutation; the Flame of Freedom or the Flame of Forgiveness.
