

INVOCATION OF EMPOWERMENT TO THE GODDESSES OF THE GOLDEN AGE OF LIGHT

© February 2011 - AliceAnn Melchizedek

Beloved Mighty I-AM Presence; Beloved Mother-Father God; Beloved Archangels and Mighty Elohim; and all the Beings from on High that I personally acknowledge.

Beloved, Lady Charity, Lady Faith, and Lady Hope, the three-fold Goddesses of the 5th Golden Age of Light; Beloved Saint Germain and Archeon Tzadkiel, Keeper of the Violet Fire of God's Love and Mercy; Beloved Lady Quan Yin, Goddess of Love and Mercy; and Beloved Master Jesus and Saint Mary Magdalene of the Silvery-Blue Violet Flame of Love and Self-Transformation.

I call to you now to overlight me, and direct your radiance of the Triple Sacred Fires of Love-Wisdom, Love-Mercy and Love-Power of God, to penetrate into my deepest being. So that I may truly feel and know that this Three-fold Radiance of God's Love is pouring forth into every part of my being at a cellular level, at a mental level, at an emotional and spiritual level.

So that the activity of the Divine three-fold Rose, Violet, and Blue Fires of Love which pass through my being purify, harmonize and balance All That I-AM, so that all the activities of my being may resonate in the Light of this Divine radiance.

And this done; I now call upon the Higher Light of myself, My Overself of the Christ, and the Ascended Host from on High, to release the Cosmic Light of God's Love into my Lifestream in the greatest volume of Light that my physical body can safely sustain; in the greatest volume of Light that my emotional and mental bodies, can safely hold at this time.

I command this Divine Triple Flame of Love, Wisdom, And Power to permanently reside in me and make manifest all that I need in my life, all that I do in the Name of God, and all that aids me in my path of Becoming.

I command this Three-Fold Light of Love to naturally pour out from me, sending forth the "Light of that Love" into the physical world. In so doing I

acknowledge my heritage as a Divine being, prosperous and abundant in all that I think, do, and say; and in All that I-AM.

And So It Is! And So It Is! And So It Is! Amen

PRAYER FOR THE COMMAND OF LIFE

I call to my Beloved Higher Mental Body, my Higher Self of the Light, my OverSelf of Christ, to fill me, to bring down in through me the Light of its Love; to resonate within me and bring me to the full awareness of my Ain- Soph, the Highest Light of who I-AM and have forever been.

I call to Mother-Father God, to all the Beings from On High that I personally acknowledge; I call to the Triple Goddesses of the New Age of Light – Faith, Hope, & Charity, as I prepare myself in Mind, Body, and Spirit, to receive the radiance of the full measure of this Divine Light; that I may hold the Light of Christ forever within; that I may radiate to all, the Love of Christ from without; and that I may find the Purity, Harmony, Balance and Peace of God in every thought, word and deed; that I may know my resurrection, and follow Him who was the Light of the World into my Becoming.

This I so do ask in the Name of the blessed Trinity: Holy Father, Holy Mother and Holy Son. Amen. Amen. Amen.
