

INVOCATION OF LOVE TO THE GODDESS OF LOVE - LADY VENUS

© December 2010 - AliceAnn Melchizedek

I call upon my Mighty I-AM Presence; I call upon Mother-Father God, the Archangels, Archaeon, Angels of Love, and all the Company of Heaven. I also call upon all the Master Teachers and Guides that I personally acknowledge from on High, and I call on Lady Gaia Mother-Earth, and all the Ascended Host who wish to join me in this invocation of Love . I call in The Lady Master Goddess of Venus and ask that she shine forth her radiance upon me. I ask that she show me the highest manifestation of God-Love that I am capable of demonstrating at this time, opening my heart-seed and raising that radiance of Love to my crown chakra and hence to all my chakras. I now Call to this great Empress of Love and Her ruby Fire to come down to our beloved Earth and bring forth a greater concentration of Divine Love, Will and Grace of the Mother's Presence. I call forth the radiance of Venus's pink/ruby Sacred Fire to ignite the minds and hearts of all souls upon this planet, illuminating each with the wisdom and knowledge of God-Love: so that all may know the Joy of Oneness through Love; so all may truly lift this planet and all her life to the next level of Love Consciousness; so that all souls may become wise in the Mastery of Love; and so that all life on this planet may know harmony, peace, joy and happiness. I AM Love; I AM Light. I AM Becoming a Beacon of Pure Love and Presence. And so it is! And so it is! And so it is! Amen.

EVENING PRAYER TO SHAMBALLA

Beloved Father of Mother-Earth, Planetary Logos, I ask to be lifted up into the appropriate Ashram within Shamballa for my highest good and so that I may receive guidance for my next steps upon my path. I place my trust in the Mother-Father God, Creator Most High, and I await the guidance and instruction of the Master-Teachers of Shamballa, the Spiritual Hierarchy of Earth. Amen.
