Pallas Athena, the Goddess of Truth holds her shining Emerald Light over us as we ascend into the New Age; she is the Chohan (Ray-Master) of the 12<sup>th</sup> Ray of One-Unity Consciousness, the mержence into our Cosmic Consciousness Awareness of the New Age, the Golden Age of Prophecy. This is the foretold age of enlightenment, where peace, prosperity, and one-unity consciousness will reign; also known as the new age of Aquarius. The color of this New Age of Enlightenment is gold, which integrates all levels of Cosmic Consciousness, including: the acceptance of the soul/Monadic level of awareness; wholeness and unity on every level; and fosters levels of abundance, co-creator manifestation, creativity and inspiration, triune heart radiance and assists in determining one's own puzzle piece in the Universal Order. The color gold is associated with the twelfth ray, the twelfth chakra, and the astrological sign Leo.

Ray Master: Chohan Pallas Athena, Overlighted by Lord Ardal, the Mahatma and Mother/Father God, demonstrates a deeply devoted person to the path of Illumined Truth, and very often a mystery school initiate, who has integrated the highest levels of initiation experienced in ancient Egypt and Atlantis. This is a person who has the gift of manifesting and believes deeply in the abundance of the Universe, and the ability to shape and create into form whatever is needed in this Now. A magnetic personality, this ray reveals a person who is deeply aligned with Universal Wisdom and the realms of Illumined Truth, able to bring order and harmony, wisdom and inspiration. This ray may also show a person who is integrating, on deeper levels, initiations experienced in ancient Egypt and/or Atlantis, or bringing into their reality friends and family from this time. This ray may also show a person who is working with their dualities through embracing their shadow side, and stepping more into their power. A Planetary Light Worker who has chosen to assist all Life to enter into the Golden Age of Light, you are an inspiration to others through your creative endeavors.
