

## *THE GREAT INVOCATION*

*From the point of Light within the Mind of God  
Light streams forth into the minds of men  
As Light descends upon the Earth*

*From the point of Love within the Heart of God  
Love streams forth into the hearts of men  
As Christ-Maitreya returns to Earth*

*From the centre where the Will of God is known  
Purpose guides the little wills of men  
The purpose which the Masters know and serve*

*From the centre which we call the Disciples of God  
The Plan of Light and Love goes forth  
As it seals the door where evil dwells*

*The Will of God restores the Plan on Earth  
Amen*
